

Limited Extended Warranty

Coverage

The Limited Extended Warranty extends the 2 year limited warranty of the Taska Hand against equipment failures resulting from normal use as described in the "User Guide Warranty" booklet. 1 year, 2 year or 3 year extended warranties are available. If 3 additional years are purchased, the Taska Hand will have a total of 5 years of limited warranty coverage.

Availability

For Taska hand only. No warranty, expressed or implied, is provided for clinical prosthetic services for fitting, repair, or adjustment of a prosthesis. This warranty is limited to repair and replacement of Taska components only.

[Fitting centers may choose to provide their clients a "Service Contract" for prosthetic services, along with the TASKA Limited Extended Warranty. The details and pricing for this type of "Service Contract" are between the client and fitting center and are **not** included in the TASKA Limited Extended Warranty].

TASKA does not offer a Limited Extended Warranty for any other manufacturers' components, such as other manufacturers' hands, wrists, connectors, cables, etc.

Terms

The TASKA Limited Extended Warranty must be purchased within six months of the purchase date. Repairs that are outside the limited warranty will be billed at the usual and customary repair and replacement rates of Motion Control.

Registration

To register for the Limited Extended Warranty, the customer must complete the Limited Extended Warranty Agreement below and return it to Motion Control, with a Purchase Order number, within six months of the purchase date. Motion Control will complete the agreement and return a copy for your records.
