

Limited Extended Warranty for Motionfoot[®] MX

Coverage

The Limited Extended Warranty extends the usual coverage against product failures resulting from normal use for one additional year (a total of three years of coverage). This Extended Warranty does not cover the foot shell.

Availability

For Motion Control products only. No warranty, expressed or implied, is provided for clinical prosthetic services for fitting, repair, or adjustment of a prosthesis. This warranty is limited to repair and replacement of Motion Control components only.

[Fitting centers may choose to offer their clients a "Service Contract" for a prosthesis that includes prosthetic services, along with the Motion Control Limited Extended Warranty. The details and pricing for this type of "Service Contract" are between the client and fitting center, and are **not** included in the Motion Control Limited Extended Warranty].

Motion Control does not offer a Limited Extended Warranty for non-Motion Control components, such as other manufacturers' hands, wrists, connectors, cables, etc.

Terms

The Limited Extended Warranty must be purchased within 6 months of the original purchase date.

Repairs that are not eligible for warranty service (such as, but not limited to, repairs occurring from neglect, misuse, improper operation or modification) will be billed at the usual and customary repair rates.

Part Number

P/N 5020051 – 1-Year Extended Warranty, Motionfoot MX

Registration

To register for the Limited Extended Warranty, the customer must send a check or Purchase Order number to Motion Control within 6 months of the original purchase date.

We recommend the Limited Extended Warranty be purchased when the original prosthesis is purchased, to ensure continuous warranty coverage.
